

November 2026

Norsk  Kalender.com

A calendar grid for the month of May 2023. The days of the week are listed at the top: MANDAG, TIRSDAG, ONSDAG, TORSDAG, FREDAG, LØRDAG, and SØNDAG. The dates are arranged in a 6x7 grid. The first row shows the 1st (Sunday) and the 2nd (Monday). The second row shows the 3rd (Tuesday) through the 8th (Sunday). The third row shows the 9th (Monday) through the 15th (Sunday). The fourth row shows the 16th (Monday) through the 22nd (Sunday). The fifth row shows the 23rd (Monday) through the 29th (Sunday). The sixth row shows the 30th (Monday). Each date cell contains a small green circle in the top-left corner and the date number in the top-right corner. The background color of the cells alternates between light blue and light green.
